

OUR PURPOSE: For over 30 years, Mountain Meadow Ranch has been used by God to reach countless lives with the Gospel of Jesus Christ. We desire MMR to be a place where God is revealed through the Bible, and through his creation. Our 70 acre property has been preserved in such a way that when you drive through our front gates, you will see and experience the wonder of nature. Our hope is that every group that utilizes the camp will exalt Jesus Christ through their teaching, their worship and their fellowship together. We believe that spiritual truth from God's Word changes lives. Therefore, our staff is solely committed to serving each user group in order to set up the best environment for this life change.

MMR is a rental facility. We provide the cabins, dining hall, fully equipped kitchen, and restrooms with showers. Beyond that, we welcome each group to create the kind of retreat that is best suited for their needs, with their own cooking, teaching, activities, etc.

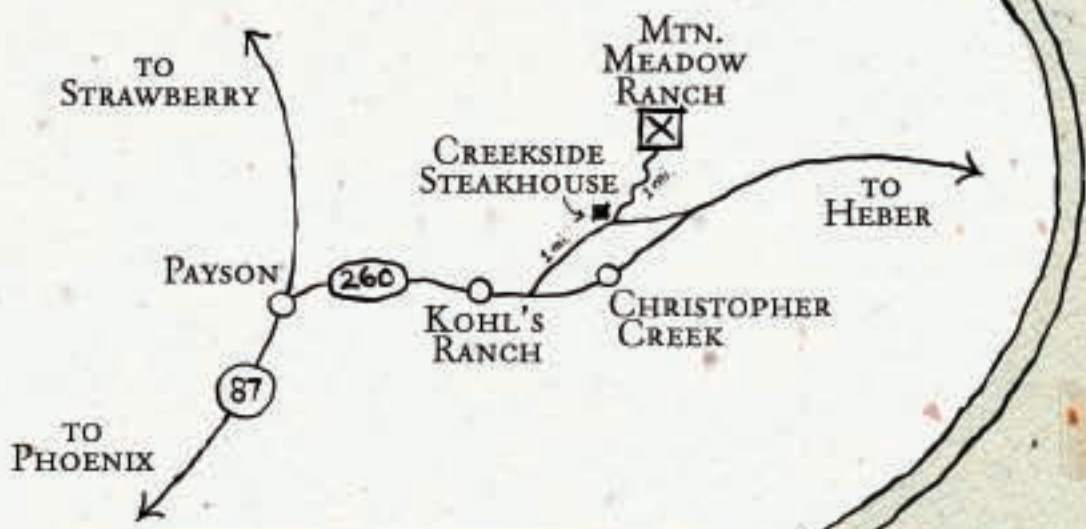

SETTING:

MMR is a perfect "getaway" spot, nestled in the surroundings of the Tonto National Forest, located 22 miles east of Payson, Arizona. Beautiful Christopher Creek runs through the ranch — a great setting for a meaningful camp. We offer a truly unique retreat experience by providing this rustic camping atmosphere at the end of a country road — away from it all!
